Providers are eligible to attest for 2018 under the following conditions:

- They have attested successfully to any previous program year.
- They meet the 30% Medicaid Patient Volume (20% for Pediatricians).
- Providers meet all the requirements for 2018 Meaningful Use.

More information about this program can be found on the [CMS website](#), and for specific information about Connecticut requirements, visit the [UConn AIMS Website](#).

If you would like to attend one of these sessions, please contact the EHR staff at ctmedicaidehr@uconn.edu or call 1-844-607-7455.
