

interChange Provider Important Message

Attention Long Term Care Providers

Applied Income Reprocessing

The banner message that appeared on your June 11, 2019 Remittance Advice (RA) incorrectly identified the reprocessed overpaid claims due to applied income with Internal Control Number (ICN) beginning with region code 55.

The reprocessed claims can be identified on your RA with an ICN with first seven digits 5319157.
