

The Medicaid Electronic Health Records (EHR) Incentive Program: The Deadline for 2017 Attestations is March 31st, 2018!

Providers wishing to attest to the Medicaid EHR Incentive Program for Program Year 2017 must submit their attestation by 11:59 pm, on March 31st, 2018. This deadline only applies to the first submission of the attestation. The provider is able to submit the attestation multiple times after the deadline in order to fix issues with the attestation after it has been reviewed by UConn EHR Incentive Staff.

Please Note: The deadline for the Medicare EHR Program is different. Providers that wish to avoid Medicare penalties associated with the program should be aware of the Medicare Guidelines. Attesting to the Medicaid program will not help you avoid the Medicare penalties.

Before you attest, please ensure you have the following supporting documentation:

1. Patient Encounter List (PEL)
2. Security Risk Analysis Checklist (SRA)
3. EHR Certification Page (CEHRT Page)
4. Invoice or Purchase Order
5. Meaningful Use Report (CEHRT Report)
6. Supporting Documentation for Specialized/Clinical Data Registries

We highly encourage providers to come in as soon as possible to ensure a timely review of their application and issuance of incentive payments.
