

# interChange Provider Important Message

## **Attention All Providers: New Medicare Card Project Open Door Forum**

**Thursday, November 9 from 2 to 3 pm EST**

CMS will be hosting a special open door forum on the New Medicare Card Project. The purpose of this call is to educate State Medicaid Agencies, Medicaid providers, Managed Care Organizations, Medicaid partners, and other Medicaid stakeholders about the change from Social Security Number-based Health Insurance Claim Numbers to the new Medicare Beneficiary Identifiers (MBIs). A question and answer session follows the presentation.

CMS will discuss:

Background and implementation

MBI format

Timeline and milestones, including the transition period

Beneficiary outreach and education

How to get ready for the new number

To participate:

Dial-In Number: 1-800-837-1935; conference ID #: 49255212

TTY services dial 7-1-1 or 800-855-2880

For more information, visit the [New Medicare Card Project](#) website and [Transcripts](#) webpage.
