

Important Message

EHR Incentive Program: Connecticut's Medical Assistance Provider Incentive Repository (MAPIR) System Upgrade on September 22nd, 2017 and the Associated DownTime Notification

Purpose of Communication: To inform providers of MAPIR downtime due to a system upgrade on September 22nd, 2017.

Target Audience: All CT Medicaid providers participating in the EHR Incentive Program.

The Department of Social Services (DSS) would like to inform eligible professionals (EPs) and eligible hospitals (EHs) that due to an upgrade to the Connecticut Medical Assistance Provider Incentive Repository (MAPIR) system, MAPIR will not be available to providers from **Noon on Friday, September 22nd, 2017** through the end of the day. MAPIR will be available to providers on Saturday, September 23rd, 2017.

As a reminder, DSS is not accepting any 2017 Program Year attestations at this time. The expected time frame for accepting 2017 Program Year attestations is mid-November 2017 after MAPIR is upgraded to comply with the Final Rule released by CMS for the EHR Incentive Program for the 2017 Program Year. Providers will be notified when MAPIR has been upgraded and ready to accept attestations for the 2017 Program Year. Any 2017 attestations started prior to the MAPIR Upgrade in November 2017 will be aborted and providers will have to restart the attestation after the MAPIR upgrade has been completed.

Resources: Any questions? Please contact the EHR Helpdesk at 1-855-313-6638, Monday through Friday from 8:00 am to 5:00 pm EST or email ctmedicaid-ehr@dxc.com.

Key Words for Cataloging: MAPIR, system upgrade
