## **Attention Providers: Cologuard Reminder**

The Department of Social Services would like to remind all providers about the coverage guidance for the Cologuard test (CPT 81528), a test created and owned by Exact Sciences. Please be advised, Exact Sciences is not an enrolled Medicaid provider, therefore, the Cologuard test is not a covered benefit under Connecticut Medicaid. It is the responsibility of all enrolled providers to make members aware of offered services that are not covered by Medicaid. Alternatively, providers may refer to the current 2018 Connecticut Medicaid Consolidate Laboratory fee schedule, for comparable blood tests
