Electronic Health Records Incentive Program: All Attestations for Program Year 2016 for the CT Medicaid EHR Incentive Program must be submitted by 11:59 pm March 30th, 2017

This message only applies to eligible hospital and professionals that are attesting to the Medicaid EHR Incentive Program.

If you are planning to attest to the EHR Incentive Program for Program Year 2016, you must submit an attestation through the MAPIR Web site by 11:59 pm, on March 30th, 2017. Hewlett Packard Enterprise representatives are available to provide technical assistance between the hours of 8 am and 5 pm. They can be reached by calling **1-855-313-6638** or by emailing ctmedicaid-ehr@hpe.com.

Please note that Program Year 2016 is the final year to begin attesting. If you have not previously attested to the EHR Incentive Program and plan to participate, you must submit before the March 30th deadline. First year attestations will not be accepted for Program Year 2017. It takes 48 hours to process a new or updated registration from the CMS R&A, so providers need to plan accordingly.
