Attention: Dental Providers

This is to notify dental providers that the new dental fee schedules have been posted to the Connecticut Medical Assistance Program (CMAP) www.ctdssmap.com Web site as announced in provider bulletin PB 2016-52. The dental fee schedule has been split into two fee schedules to separate the reimbursement rates for adults and children effective for dates of service (DOS) September 1, 2016 forward. The existing fee schedule for DOS prior to September 1, 2016 will continue to be available as a combination of adult and pediatric reimbursement rates.

There are now three dental fee schedules published on the CMAP Web site:

- Dental Adult
- Dental DOS prior to 09/01/2016
- Dental Pediatric

To access the dental fee schedules, go to www.ctdssmap.com, select “Provider” and click on “Provider Fee Schedule Download”. Click on “I accept” button and proceed to click on the appropriate dental fee schedule.
