ANNOUNCEMENT: Myers and Stauffer LLC will now be reviewing Promoting Interoperability (PI) Program Incentive Applications

Effective January 1, 2019 Myers and Stauffer LLC will be reviewing applications and supporting documentation submitted by Eligible Professionals requesting Promoting Interoperability (PI) Program (*formerly Electronic Health Records Incentive Program*) incentive payments for Program Year 2018. Attestations must continue to be completed in the MAPIR application, just as in prior years.

You may be contacted by Myers and Stauffer if additional information is needed to approve a Program Year 2018 incentive payment application. For more information you can contact Myers and Stauffer by email at CTMedicaidPI@mslc.com or toll free at 1-855-716-9376.

For more information about Program Year 2018 requirements and required documentation, visit their website at <http://www.mslc.com/Connecticut/ProgramInteroperability.aspx>
