

Electronic Health Records Incentive Program: Eligible Professionals and Eligible Hospitals Meaningful Use Reporting Period for 2016 and 2017

This message only applies to Eligible Professionals (EP) and Eligible Hospitals (EH) that are attesting to the Medicaid EHR Incentive Program.

Meaningful Use 2016:

1. The EHR Reporting Period for Meaningful Use Objectives is any continuous 90 Day Period between January 1, 2016 and December 31, 2016, regardless of stage.
2. The EHR Reporting Period for Clinical Quality Measures is any continuous 90 Day Period between January 1, 2016 and December 31, 2016, regardless of stage.

Meaningful Use 2017:

1. The EHR Reporting Period for Meaningful Use Objectives is any continuous 90 Day Period between January 1, 2017 and December 31, 2017, regardless of stage.
2. The EHR Reporting Period for Clinical Quality Measures is:
 - a. Any continuous 90 day period between January 1, 2017 and December 31, 2017, for providers attesting to meaningful use for the **first time**.
 - b. The continuous 365 Day Period of January 1, 2017 through December 31, 2017, for all **returning** meaningful use providers.
