Attention: Outpatient Hospitals - Prior Authorization Requirement for Supprelin (J9226) and PuraPlay (Q4172) (May 18, 2017)

The purpose of this notification is to inform providers that hospitals are required to obtain prior authorization on Supprelin LA (J9226) only when the hospital is buying and billing for the medication. Prior Authorization is also required for PuraPly (Q4172). The outpatient hospital prior authorization (PA) grid will be updated and procedure codes J9226 and Q4172 will be added. There are no changes to the PA submission process. Providers must continue to submit authorization requests to Community Health Network of Connecticut (CHNCT) by accessing the HUSKY Health website at www.ct.gov/husky. To access the prior authorization portal or form, click on “For Providers” followed by “Prior Authorization - learn more”.

For questions regarding the prior authorization process, please contact CHNCT at 1-800-440-5071, Monday through Friday between the hours of 8:00 am and 7:00 pm.
