**RE: Provider Audit Trainings**

---

The Department of Social Services (DSS) is offering free training directed to Connecticut Medical Assistance Program (CMAP) providers in an effort to help them improve compliance with Medicaid requirements under state and federal laws, regulations and policies. This will be done through increased knowledge of audit preparation, the audit process, common errors found during an audit and a discussion of the audit protocols. To view the upcoming training calendar, go to <http://www.ctdss.net/osdevents/>. This link will be updated as training dates are added. You may register by selecting the appropriate training, clicking "Register", filling out the Registration form, and clicking "Submit". There will be refreshments available to purchase during the training, in addition to vending machines.

If you have any questions regarding trainings, please contact Samantha Allard at (860) 424-5557 or via e-mail at [Samantha.allard@ct.gov](mailto:Samantha.allard@ct.gov).
