Qualidigm Personal Care Aide Training Series

The Department of Social Services (DSS) Community Options Unit developed and implemented training for Personal Care Aides (PCAs), at no cost to providers. DSS has had no role in developing, and will not reimburse or provide up-front payment to providers, for staff attendance at/completion of alternate training, including, but not limited to, the training sessions that are being offered by Qualidigm.

If you have questions, contact Kathy Bruni, Director, Community Options Unit at (860)424-5177.
