

Announcement: MAPIR will be Available and Accepting Medicaid Eligible Professionals (EPs) Attestations for Program Year 2017 after July 2017

MAPIR will be open and accepting Medicaid EHR Incentive Program attestations for Program Year 2017 after July 2017. The Department of Social Services (DSS) will confirm the date in a future announcement. Any applications for Program Year 2017 started or submitted prior to this date will be aborted.

Attestations will be accepted for Modified Stage 2 and Stage 3 Meaningful Use for Program Year 2017.

What you need to know about Modified Stage 2 and Stage 3.

- All providers are required to attest to a single set of objectives & measures.
- There are 10 Objectives, including one consolidated public health reporting Objective for Modified Stage 2.
- There are 8 Objectives, including one consolidated public health reporting Objective for Stage 3.
- All EPs must attest using EHR technology certified to the 2014 edition or the 2015 edition.
- All Providers attesting to MU can use a 90 day reporting period for MU for 2017
- **CQM reporting for EPs:**
 - Providers attesting to MU for the first time can report using any 90 days of data collection in 2017
 - Providers attesting to MU for the second time or more must report on 365 days of data collection for 2017

The last date to attest for Program Year 2017: March 31st, 2018 at 11:59 pm.
