

# interChange Provider Important Message

## Attention: All Providers

**2020 1099s Available for Download from Web Site:** The purpose of this important message is to alert providers that the 1099s for year 2020 are available for download from the [www.ctdssmap.com](http://www.ctdssmap.com) Web site. The functionality to download 1099s is available for all Master Users and any subordinate clerk accounts who have access to download PDF Remittance Advice files. The 2020 1099s were also mailed via the USPS to providers on January 27, 2021.

Providers wishing to download their 2020 1099 from [www.ctdssmap.com](http://www.ctdssmap.com) would do so by logging into their secure Web portal account, selecting Trade Files then download. Providers must then click on the 1099s selection located at the top of the drop-down menu.

Users would then scroll down and select the 2020 1099 from the “Current Files Available for Download” panel.

The retention period for 1099s on the secure Web portal account will be three (3) years. Providers are encouraged to download and save a local copy of the 1099s as after three (3) years, the downloadable files will be removed and no longer available.
