Attention: Autism Spectrum Disorder (ASD) Providers

RE: Addition of Autism Spectrum Disorder (ASD) services for the HUSKY B population

This Important Message(IM) provides amended information to [PB 2025-57](#).

Effective October 1, 2025, all ASD services covered under HUSKY A, C, and D are now also covered under HUSKY B.

Please Note: All ASD services require prior authorization from Carelon Behavioral Health of Connecticut (Carelon BH CT). In addition, All CT Medicaid ASD providers MUST be qualified by Carelon BH CT before they can provide services and bill CT Medicaid. For example, holding a behavioral health license in the state of Connecticut does not, by itself, qualify a clinician to provide services for individuals with ASD. Clinicians must also demonstrate relevant experience in ASD and hold an approved qualification letter following successful completion of Carelon BH CT's qualification process.

Additional information on covered services and rates can be found on the Autism Spectrum Disorder fee schedule by going to the Connecticut Medical Assistance Program (CMAP) Web site: www.ctdssmap.com. From this Web page, go to "Provider", then to "Provider Fee Schedule Download", scroll to the bottom of the page and click on "I Accept", then select the Autism Spectrum Disorder fee schedule. To access the CSV file, press the control key while clicking the CSV link, then select "Open".
