Reimbursement Rate Increases for Select Behavioral Health Services for Children

As of August 13, 2024, DSS increased the reimbursement rates of select behavioral health services (including family therapy services) for HUSKY Health members ages 20 years old and under for dates of service July 1, 2024 and forward.

Claims processed prior to August 13, 2024 where the detailed billed amount is greater than the new allowed amount will be retroactively adjusted. Gainwell Technologies will identify and reprocess these claims without any additional work on the part of providers. DSS will update this important message when the ID and reprocess will occur.
