HOW TO REGISTER FOR A WORKSHOP

To register for these workshops, visit the www.ctdssmap.com Web site and go to Information, then Publications and scroll down to Provider Workshop Invitation Forms. Select the **Birth to Three Provider Workshop** you wish to attend and click on the Registration Link.

Once you click “Register Now” at the bottom of your registration page, you will be provided a workshop confirmation number. Please retain this number for your records should you need to discuss your registration with DXC Technology. If you do not receive a confirmation number, you have not successfully registered for this workshop.

Please be sure to include all of the registration information indicated below to ensure timely and accurate attendance registration.

HPEMyRoom Virtual Classroom Training DXC Technology utilizes internet virtual classrooms that allow class participants to attend a workshop without leaving their office. Participants will be provided a key to an internet classroom to attend the training. At the same time, participants will dial into a conference call and have an opportunity to ask questions. Providers who register for this training will receive an email from DXC Technology with directions on how to attend this training. **For this reason, it is critical that providers enter a valid email address at the time of registration.** If this email is not received three (3) days prior to the training, please contact the Provider Assistance Center toll free at 1-800-842-8440.

The following information is required when registering for a workshop:

- Provider Name
- NPI Number
- Contact Name
- Telephone Number (including Area Code)
- Name of Attendee
- Email Address (**Required for HPEMyRoom Virtual Classroom Training**)

IMPORTANT NOTICES:

Inclement Weather

Should inclement weather occur on the date of a workshop, resulting in a cancellation, DXC Technology will post a notice of workshop cancellation at **1-844-225-1164, extension 2154000.**
