

interChange Provider Important Message

Attention: Outpatient Hospitals - CMAP Addendum B January 2021

An updated PDF and Excel version of Connecticut Medical Assistance Program (CMAP) Addendum B V22.0 has been approved by the Department of Social Services (DSS) and has been added to the Hospital Modernization page on the www.ctdssmap.com Web site. These changes are effective for dates of service January 1, 2021 and forward.

Any procedure code that is “NEW”, changed or deleted with an effective date of January 1, 2021 is tentatively scheduled to be updated on February 10, 2021.

The changes can be identified by the following indicators:

- “New” - The procedure code was added by CMS.
- “X” - A change has been made to the procedure code or status indicator.
- “G or K” - A change has been made to the payment rate (status indicator G or K).

Payment rate changes for procedure codes assigned a status indicator G or K for dates of service January 1, 2021 and forward were updated and loaded into the system on December 31, 2020.

Older versions of CMAP Addendum B and the CMAP Addendum B Changes documents can be found under the Hospital Modernization page under “CMAP Addendum B Changes and Historical Versions.”

Any questions on the CMAP Addendum B should be sent to Gainwell Technologies using the following e-mail address: ctxixhosppay@dx.com.
