Attention Inpatient Hospital Providers – DRG Calculator (Revised 1/4/23)

NOTE: Gainwell Technologies has identified an error in the DRG calculator. We are currently working to correct that error and will notify providers as soon as a new version is available. We expect the new version to be available by tomorrow. We apologize for the inconvenience.

The Diagnosis Related Group (DRG) Calculator has been updated to reflect the DRG Weights, Average Length of Stays (ALOS) and Outlier Thresholds effective for discharge dates January 1, 2023 and forward. The Department of Social Services (DSS) has updated the hospital rates for discharge dates January 1, 2023 and forward. The hospital's Adjusted Base Rate, IME Factor and Cost-to-Charge ratio are located under the Provider Table CT tab in the DRG Calculator. In addition, the hospital's Behavioral Health and Rehab per diem rates have been updated for dates of service January 1, 2023 and forward. The updated DRG calculator has been added to the Hospital Modernization Web Page.
