## **Attention Providers: Delayed Implementation of the Diabetic Supply Program**

The implementation of the Diabetic Supply Program announced in [Provider Bulletin 2020-69](#) has been moved from November 1, 2020 to **November 4, 2020**.

Effective November 4, 2020, diabetic supplies such as diabetic meters, test strips and lancets, as well as additional ancillary items, will be added to the Medicaid Preferred Product List and will be covered as part of the pharmacy benefit for HUSKY A, C and D members ages 21 and older. Pharmacy claims submitted for clients under the age of 21 for HUSKY A, C and D will also be subject to the Medicaid Preferred Product List. The full list of preferred supplies will be published prior to the implementation date in a separate Diabetic Supplies Preferred Product List document under the Pharmacy Information page, Preferred Drug List Information section of the Connecticut Medical Assistance Program ([www.ctdssmap.com](http://www.ctdssmap.com)) Web site.
