HPE MyRoom Virtual Classroom Training

DXC Technology utilizes internet virtual classrooms that allow class participants to attend a workshop without leaving their office. Participants will be provided a key to an internet classroom to attend the **Hospital Refresher Workshop**. Hospital providers will need to download HPE MyRoom and set up an account in order to attend the virtual classroom training. In addition, participants will also dial into a conference call and have an opportunity to ask questions. Providers who register for this training will receive an email with directions on how to attend this training. **For this reason, it is critical that providers enter a valid email address at the time of registration.** If this email is not received three (3) days prior to the training, please contact the Provider Assistance Center toll free at 1-800-842-8440.

Please supply the following information when registering for a workshop:

- Provider Name
- NPI Number
- Contact Name
- Telephone Number (including Area Code)
- Email Address (Required for Internet Virtual Classroom Training)
- Name of Attendee

Inclement Weather

Should inclement weather occur on the date of a workshop resulting in a cancellation, DXC Technology will post a notice of workshop cancellation at **1-833-700-8959, extension 3154000**
