Revised CMAP Telehealth Table – Group Psychotherapy Correction Effective June 12, 2023

Please note that the CMAP Telehealth Table has been updated to make a correction to telehealth indicator for procedure code 90853 (group psychotherapy) from Both (B) to Telemedicine (TM). **Effective June 12, 2023**, providers must ensure that the provision of 90853 (group psychotherapy) is performed via telemedicine (synchronized audio-visual) only.

No other changes have been made to the CMAP Telehealth Table. Providers are encouraged to monitor the CMAP website (www.ctdssmap.com) frequently for updates to the DSS Telehealth policy and to ensure that you are accessing the most current version of the CMAP Telehealth Table.
