

# interChange Provider Important Message

**Attention: All Providers**

## **Revised CMAP Telehealth Table – Targeted Case Management, T1017 – Update to Telehealth Method Effective June 21, 2023**

Effective June 21, 2023, and forward, providers eligible for reimbursement for procedure code T1017 (Targeted case management, 15 minutes) may perform this service via audio-only or telemedicine under the CMAP Telehealth policy.

No other changes have been made to the Connecticut Medical Assistant Program (CMAP) Telehealth Table. Providers are encouraged to monitor the CMAP website ([www.ctdssmap.com](http://www.ctdssmap.com)) frequently for updates to the CMAP Telehealth policy and to ensure that you are accessing the most current version of the CMAP Telehealth Table.
