

# interChange Provider Important Message

## Attention Primary Care Providers – Upcoming Continuing Medical Education (CME) Conference

### *Essentials of Behavioral Health in Primary Care*

Saturday, September 15<sup>th</sup>

8:00 AM - 5:30 PM

Hilton Garden Inn  
1181 Barnes Road  
Wallingford, CT 06492

Community Health Network of Connecticut, Inc. (CHNCT) in partnership with Beacon Health Options, is pleased to announce an educational program for Connecticut Medical Assistance Program (CMAP) enrolled **Primary Care Providers** (physicians, Advanced Practice Registered Nurses and Physician Assistants) on enhancing PCP's skills in managing psychiatric conditions in a primary care setting.

#### **This conference will cover:**

- Adult and pediatric psychopharmacology
- Integrated behavioral health services
- Medication Assisted Treatment (MAT)
- Crisis prevention and intervention
- Motivational interviewing
- Cognitive Behavioral Therapy (CBT)
- Screening, Brief Intervention and Referral to Treatment (SBIRT)

#### **For more information and to register for this conference go to:**

[HuskyHealthCT.org/HUSKY\\_Conference](https://HuskyHealthCT.org/HUSKY_Conference)

Continental breakfast and lunch will be provided.
