New State Resources Available for Providers and Patients Regarding Abortion Rights

Attention All Providers:

The State of Connecticut has established a telephone Infoline and website to assist both providers and patients with information and resources regarding abortion services and reproductive rights in Connecticut.

If you or your patients have any questions regarding the provision of abortion services, we encourage you to call 1-866-CTCHOICE or visit <https://portal.ct.gov/reproductiverights> and to share these resources with your patients.
