Attention Primary Care Providers – Upcoming CME Conference

Essentials of Behavioral Health in Primary Care

Saturday, September 28, 2019

8:00 AM – 5:00 PM

Hilton Garden Inn
1181 Barnes Road
Wallingford, CT 06492

Community Health Network of Connecticut, Inc. in partnership with the Connecticut Behavioral Health Partnership/Beacon Health Options, is pleased to announce an educational program for Connecticut Medical Assistance Program (CMAP) enrolled **Primary Care Providers** (Physicians, Advanced Practice Registered Nurses, and Physician Assistants) on enhancing Primary Care Providers (PCP) skills in managing psychiatric conditions in a primary care setting.

This conference will cover:

- Depression – screening and treatment in older adults
- Attention-deficit/hyperactivity disorder (ADHD)
- Management of multiple medical and behavioral health conditions – finding a balance
- Bullying and social media –impact on adolescent depression and anxiety
- Medication assisted treatment (MAT)
- Adverse childhood events (ACEs) and trauma informed care
- Integrated Behavioral Health Services

For more information and to register for this conference go to:

huskyhealthct.org/HUSKY_Conference

Breakfast and lunch will be provided.
