## **Attention Home and Community-Based Waiver Providers and Access Agencies: Rate Methodology and Cost Survey**

The Department of Social Services (DSS) is reviewing its current methodology for Home and Community Based 1915c waiver program services. DSS has contracted with Myers and Stauffer LLC, CPAs, to conduct a rate study. The Myers and Stauffer team has developed a cost survey for submission of provider data to provide accurate program and administrative cost information for the development of a rate methodology. You can download the cost survey and instructions at the following web address:

[https://www.mslc.com/Connecticut/CT\\_Services\\_HCBS.aspx](https://www.mslc.com/Connecticut/CT_Services_HCBS.aspx).

Providers will have until Friday, September 4, 2020 to submit the completed surveys and any supporting documentation to [CTHCBS@mslc.com](mailto:CTHCBS@mslc.com).

A webinar training session is scheduled for Wednesday, August 5, 2020 from 10:00am to 12:00pm to provide instruction on completing the survey. The webinar will be recorded and uploaded to the website so it can be viewed at any time. You will have an opportunity to submit questions during the webinar, and we will try to answer as many as we can during that time. There will also be an FAQ document on the website after the webinar so all providers can see the questions and answers. Webinar connection information:
