

Important Message

Announcement: MAPIR is Now Accepting Promoting Interoperability Attestations for Program Year 2021!

Currently – MAPIR is open and accepting Medicaid Promoting Interoperability (PI) Program attestations for Program Year 2021.

August 31, 2021 - The deadline for submitting Program Year 2021 attestations.

December 31, 2021 – The date the 2021 Security Risk Analysis (SRA) needs to be uploaded to MAPIR by. Please note, the 2021 SRA may be completed after submitting your 2021 attestation. However, the completed SRA will need to be uploaded to MAPIR by December 31, 2021.

Please allow for enough time to submit completed attestations by the deadlines noted above. It is not recommended that you wait until the last day to submit an application. There will be no extensions or exceptions for program year 2021.

For more guidance on eligibility and program requirements, please visit the [Myers & Stauffer Medicaid PI Program website](#).
