

interChange Provider Important Message

To: Home Health Care Agencies (HHA) and Access Agencies (AA) providing in home services and supports to Medicaid members.

Announcing Round 2 In- Home Safety Enhancement Applications

In-Home Safety Enhancements Round 2 Application Guidance:

- Preference will be given to HHA's that did not apply in round 1.
- Any HHA or AA that received funds in round 1, must expend their total round 1 award by the close of the application date in order to receive an additional award.

Round 2 Applications for In-home safety enhancements will open on November 12, 2024 and close on November 24, 2024, at 11:59pm.

The application will be live and online at the ct.gov website under Home and Community-Based Services - Connecticut's Investment under American Rescue Plan Act.
