

Program Year 2017 Requirements

What You Need to Know for Program Year 2017 Modified Stage 2:

- The last date to attest for program year 2017 is **March 31, 2018 at 11:59 pm.**
- All Eligible Professionals (EPs) must attest using EHR technology certified to the 2014 or 2015 edition, or a combination of the two.
- All providers are required to attest to a single set of ten objectives and measures.
- The EHR reporting period for **Meaningful Use and Clinical Quality Measures (CQMs) for all participants is 90 days** (this can be any continuous 90-day period from January 1, 2017 through December 31, 2017). **This is a change from the 365-day CQM period from the original 2017 documentation.*

What you Need to Know for Program Year 2017 Stage 3:

- The last date to attest for program year 2017 is **March 31, 2018 at 11:59 pm.**
- All Eligible Professionals (EPs) must attest using EHR technology certified to the 2015 edition. A provider who has technology certified to a combination of the 2015 and 2014 edition may potentially attest to stage 3 requirements if the mix of certified technologies would not prohibit them from meeting the Stage 3 measures.
- All providers are required to attest to a single set of eight objectives and measures.
- The EHR reporting period for **Meaningful Use and CQMs for all participants is 90 days** (this can be any continuous 90-day period from January 1, 2017 through December 31, 2017). **This is a change from the 365-day CQM period from the original 2017 documentation.*
