Maternity Bundle Supplemental File Update

The August 8, 2026 Maternity Bundle supplemental files were replaced on September 13, 2026. The financial expenditure and payment amounts were correctly generated and accurately reflected on the Remittance Advice (RA).

Providers should disregard the original supplemental files and refer to the replacement files now available through the secure Web Portal under Trade Files. Please see page 10 of the [Frequently Asked Questions \(FAQ\): Connecticut Maternity Bundle Billing and Claims](#) for instructions.
