## HHS Announces Provider Relief Fund Reporting Update

The U.S. Department of Health and Human Services (HHS), through the Health Resources and Services Administration (HRSA), is issuing new reporting requirements and announcing that it will be amending the reporting timeline for the Provider Relief Fund Program (PRF) due to the recent passage of the Coronavirus Response and Relief Supplemental Appropriations Act.

**These reporting requirements will apply to providers who received the Medicaid PRF funds.** The reporting requirements released today do not apply to funds from: Nursing Home Infection Control, Rural Health Clinics Testing, and COVID-19 Claims Reimbursement to Health Care Providers and Facilities for Testing, Treatment and Vaccine Administration for the Uninsured recipients.

Additionally, starting today, **PRF recipients may begin registering for gateway access to the Reporting Portal where they will ultimately submit their information in compliance with the new reporting requirements HHS is issuing.**
