Attention Primary Care Providers – Upcoming Virtual CME Conference

Essentials of Behavioral Health in Primary Care

Saturday, October 16, 2021

8:30 AM – 1:00 PM

Community Health Network of Connecticut, Inc.® in partnership with the Connecticut Behavioral Health Partnership/Beacon Health Options, is pleased to announce an educational program for Connecticut Medical Assistance Program (CMAP) enrolled **Primary Care Providers** (Physicians, Advanced Practice Registered Nurses, and Physician Assistants) on enhancing Primary Care Providers (PCP) skills in managing psychiatric conditions in a primary care setting.

This conference will cover:

- Treatment of Attention-deficit/Hyperactivity Disorder (ADHD) in Children and Adolescents
- Treatment of Anxiety and Depression in Children and Adolescents
- Pharmacologic Treatment of Tobacco, Alcohol, and Opioid Use Disorders
- Treatment of Anxiety and Depression in Adults
