The Department of Social Services, in collaboration with Connie and UCONN, will be hosting an informational session to provide important information related to the CT Home and Community-Based Services Value-Based Payment (VBP) Initiative.

This webinar will provide an overview of the person-centered principle of goal setting, in accordance with standards developed by the National Committee for Quality Assurance (NCQA). During this session, your organization will receive up-to-date information including:

- How person-centered goals are developed and monitored
- How to access person-centered goal information in the HCBS Program Tool

Please send any related questions to the following email address:
