**TO: All Providers**

**RE: REVISED Reinstating Prior Authorization Requirements that were Suspended During the Public Health Emergency**

Effective for dates of service May 21, 2021 and forward, all prior authorization (PA) requirements that were suspended or modified as part of the Public Health Emergency (PHE) response to COVID-19 as outlined in **PB 2020-33 - CMAP COVID-19 Response – Bulletin 23: Changes to the Prior Authorization Requirements for Specified Services** will be reinstated. The PA requirements will be reinstated due to the current state PHE declaration and the relevant associated executive order (EO) 7EE, Section 4, expiring May 20, 2021.

**PRIOR AUTHORIZATION:**

PA will be reinstated on the following services (in accordance with standard rules and procedures in effect before the PHE):

**Inpatient Hospital Admissions:**

Prior authorization requirements for all in-state and border hospital admissions will be reinstated, including all inpatient general acute care hospitals, children’s hospitals, chronic disease hospitals and freestanding psychiatric hospitals. (PA has remained in effect for out-of-state hospital admissions, which is not changing.)

**Inpatient Hospice Services:**

General inpatient hospice days beyond the fifth day will require PA, as required by section 17b-262-843(a)(1) of the Regulations of Connecticut State Agencies.

**Outpatient Behavioral Health Services:**

Standard PA and registration requirements, as applicable, will be reinstated for the following outpatient behavioral health services:
