**Claims that are submitted electronically must be received at Gainwell Technologies by 7:00 PM the day preceding the claims cycle date in order to be processed in that cycle.**

We encourage you to submit your claims as soon as possible and not to wait until the last day before the claims cycle. The retrieval of your 999 Acknowledgement may be delayed if the volume of claims submission activity significantly increases.

Do not resubmit your claims because of a delayed 999 Acknowledgement response. If you receive a rejected 999 Acknowledgement, you will need to correct the errors and resubmit your claims.
