RE: Annual Update: January 2023 HIPAA Compliant Updates to the Freestanding Ambulatory Surgical Center Fee Schedule

Effective for dates of service January 1, 2023, and forward, the Department of Social Services (DSS) will incorporate the January 2023 Healthcare Common Procedure Coding System (HCPCS) changes (additions, deletions, and description changes) to the Freestanding Ambulatory Surgical Center (ASC) fee schedule. DSS is making these changes to ensure that the Freestanding ASC fee schedule remains compliant with the Health Insurance Portability and Accountability Act (HIPAA).

The HIPAA compliant updates apply to all HUSKY Health programs (HUSKY A, B, C and D).

Accessing the Fee Schedule:

The updated fee schedule can be accessed and downloaded from the Connecticut Medical Assistance Program (CMAP) Web site: www.ctdssmap.com. From this Web page, go to "Provider", then to "Provider Fee Schedule Download". Click on the "I accept" button and proceed to click on the appropriate fee schedule. To access the CSV file, press the control key while clicking the CSV link, then select "Open".

For questions about billing or if further assistance is needed to access the fee schedule on the CMAP Web site, please contact the Provider Assistance Center, Monday through Friday from 8:00 a.m. to 5:00 p.m. at 1-800-842-8440.

Posting Instructions: Policy transmittals can be downloaded from the Web site at www.ctdssmap.com.

Distribution: This policy transmittal is being distributed to providers of the CMAP by Gainwell Technologies.
