RE: Removal of Age Restriction for Naturopath Services Performed to HUSKY Health Members, 21 Years and Older

Effective for dates of service October 1, 2022, and forward, the age restriction will be removed for services performed by naturopaths or naturopath groups.

This policy transmittal (PT) supersedes the guidance pertaining to the elimination of Medicaid reimbursement for services performed by naturopaths/naturopath groups as stated in [PB 03-24](#) "Elimination of Optional Services - When Providers May Bill Clients".

Consistent with the updated state funding appropriation to the Department of Social Services (DSS) in section 1 of Public Act 22-118 (which codify the State Fiscal Year 2023 Midterm Budget adjustments), effective for dates of service, October 1, 2022 and forward, DSS will reimburse Connecticut Medical Assistance Program (CMAP) enrolled naturopaths or naturopath groups for services performed to HUSKY Health members over the age of twenty-one (21) years old.

This change applies to services reimbursed under the HUSKY Health programs (A, C, and D).
