RE: April 2024 HIPAA Compliant Updates for MEDS

Effective for dates of service April 1, 2024 and forward, the Department of Social Services (DSS) is incorporating the April 2024 Healthcare Common Procedure Coding System (HCPCS) changes (additions, deletions and description changes) to the Durable Medical Equipment (DME); Orthotics and Prosthetics (O & P); Parenteral/Enteral Supplies and Medical Surgical Supplies (MSS) fee schedules.

DSS is making these changes to ensure that the DME, O & P, Parenteral/Enteral Supplies and MSS fee schedules remain compliant with the Health Insurance Portability and Accountability Act (HIPAA). Providers should continue to refer to the fee schedule for prior authorization, quantities, and reimbursement information. The changes apply to services reimbursed under the HUSKY Health (A, B, C and D) programs.

Accessing the Fee Schedules:

The updated fee schedules can be accessed and downloaded from the Connecticut Medical Assistance Program Web site: www.ctdssmap.com. From this Web page, go to "Provider", then to "Provider Fee Schedule Download". Click on the "I accept" button and proceed to click on the appropriate fee

schedule. To access the CSV file, press the control key while clicking the CSV link, then select "Open".

For questions about billing or if further assistance is needed to access the fee schedules on the Connecticut Medical

Assistance Program Web site, please contact the Provider Assistance Center, Monday through Friday from 8:00 a.m. to 5:00 p.m. at 1-800-842-8440.
