RE: October 2026 Quarterly HIPAA Compliant Update – Medical Equipment Devices and Supplies Fee Schedules

Effective for dates of service October 1, 2026, and forward, the Department of Social Services (DSS) is incorporating the most recent Healthcare Common Procedure Coding System (HCPCS) changes (additions, deletions and description changes) to the Durable Medical Equipment (DME), Medical Surgical Supplies (MSS) and Prosthetic/Orthotic (O & P) fee schedules.

DSS is making these changes to ensure that the DME, MSS and O & P fee schedules remain compliant with the Health Insurance Portability and Accountability Act (HIPAA). Providers should continue to refer to the fee schedule for prior authorization, quantities, and reimbursement information. The changes apply to services reimbursed under the HUSKY Health (A, B, C and D) programs.

In addition, providers are reminded to please refer to Table 19 in the fee schedule instructions for the list of quantity limitations for DME, O&P and MSS supplies. To access Table 19 from the fee schedule instructions, click [here](#) and go to page 5 for the link to Table 19.

The instructions may also be obtained by clicking the red highlighted link from the Provider Fee Schedule Download screen, go to page 5 and click on Table 19 to access List of the Medical Equipment Devices and Supplies (MEDS) Procedure Codes Quantity Limitation Determinations.
