CONNECTICUT DEPARTMENT OF SOCIAL SERVICES
HEALTH CARE FINANCING
NURSING FACILITY ENROLLMENT AGREEMENT

_____________________________________________________________________________,
(Name of Applicant)

(hereinafter “Provider”), wishes to participate in the Connecticut Medical Assistance Program
and, therefore, represents and agrees as follows:

**General Provider Requirements**

1. To comply continually with all enrollment requirements established under regulations
adopted by the Connecticut Department of Social Services (hereinafter “DSS”) or any
successor agency, as they may be amended from time to time, and to abide by and
comply with all federal and state statutes, regulations, and operational procedures
pertaining to Provider's participation in the Connecticut Medical Assistance Program as a
Nursing Facility, as they may be amended from time to time.

2. To continually adhere to professional standards governing medical care and services and
to continually meet state and federal licensure, certification or other regulatory
requirements for Nursing Facilities, including all provisions of the Connecticut General
Statutes and any regulations promulgated pursuant thereto.

3. To continually adhere to specific state law requirements regarding admission, transfer,
discharge, bed-hold, waiting lists, personal needs allowance, and, as applicable,
certificate of need review.

4. To furnish all information requested by DSS specified in this Nursing Facility Enrollment
Agreement (hereinafter “Agreement”) and the Application Form, and, further, to notify
DSS or its designated agent, in writing, of all material and/or substantial changes in
information contained on the Application Form.

Material and/or substantial changes in information include changes in the status of
Provider's license, certification, or permit to provide its services in the State of
Connecticut, and any change in the status of ownership of the Provider.

5. To provide services and/or supplies covered by Connecticut's Medical Assistance
Program to eligible clients pursuant to all applicable federal and state statutes,
regulations, and operational procedures.

6. To maintain a specific record for each client eligible for the Connecticut Medical
Assistance Program payment, including but not necessarily limited to name; address;
birth date; Connecticut Medical Assistance Program identification number; pertinent
diagnostic information including x-rays; current treatment plan; treatment notes;
documentation of dates of services; and all other information required by state and federal law.

7. To maintain all documentation required for rate setting purposes in accordance with section 17-311-56 of the Regulations of Connecticut State Agencies, including all documentation required by regulation to support the billing for bed reserve days. This documentation is subject to review and audit by DSS.

The Provider shall maintain all other documentation required by statute or regulation for at least five years or longer, as required by the particular statute or regulation. In the event of a dispute concerning service provided, the Provider shall maintain all documentation until the end of the dispute, for five (5) years or for the length of time required by statute or regulation, whichever is longest.

The Provider acknowledges that failure to maintain all required documentation may result in the disallowance and recovery by DSS of any amounts paid to the Provider for which the required documentation is not maintained and provided to DSS upon request.

8. To maintain, in accordance with state and federal law and regulation, the confidentiality of clients’ personal, financial, and medical information and records.

Upon request, disclosure of all records relating to services provided and payments claimed must be made to the Secretary of Health and Human Services; to DSS or any successor agency; and/or to the State Medicaid fraud control unit, in accordance with federal law and regulation. In the event that the Provider authorizes a third party to act on the Provider’s behalf including, but not limited to, an attorney or billing agent, the Provider shall submit written verification of such authorization to DSS.

9. To maintain a written contract with all subcontractors that requires subcontractors to provide DSS with the same access to subcontractors’ books, documents, and records pertaining to costs claimed by the Provider for Medicaid purposes, as subcontractors are required to provide by federal law and regulation to the Secretary of Health and Human Services, or it’s successor agency, for costs claimed by a provider under the Medicare program.

No subcontract, however, terminates the legal responsibility of the Provider to DSS to assure that all activities under the contract are carried out. Provider shall furnish to DSS upon request, copies of all subcontracts in which monies covered by this Agreement are to be used.

10. To abide by the Connecticut Medical Assistance Provider Manual, including all amendments, as well as all notices and bulletins, including procedural transmittals. Receipt of such materials by Provider shall be presumed when such documents are mailed to Provider's current address on file with DSS or its fiscal agent.

11. To make timely efforts to assist DSS in determining clients' eligibility, including verification of resources, and to pursue insurance, Medicare and any other third party payer prior to submitting claims to the Connecticut Medical Assistance Program for
payment.

Provider further acknowledges the Connecticut Medical Assistance Program as payer of last resort. Provider agrees to exhaust clients' medical insurance resources prior to submitting claims for reimbursement and to assist in identifying other possible sources of third party liability, which may have a legal obligation to pay all or part of the medical cost of injury or disability.

Billing/Payment Rates

13. To submit timely billing in a form and manner approved by DSS, as outlined in the Connecticut Medical Assistance Program Provider Manual, in an amount no greater than the rates and/or amounts in accordance with those established by the Connecticut Medical Assistance Program, after first ascertaining whether any other insurance resources may be liable for any or all of the cost of the services rendered and seeking reimbursement from such resource(s).

14. To comply with the prohibition against reassignment of provider claims set forth in 42 C.F.R. § 447.10.

15. To submit only claims for goods and services covered by the Connecticut Medical Assistance Program and that can be documented by Provider as being:

a. for medically necessary medical assistance services;

b. for medical assistance services actually provided to the person in whose name the claim is being made;

c. for compensation that Provider is legally entitled to receive; and

d. in compliance with DSS requirements regarding timely filing.

16. To accept payment in full for all services, goods, and products covered by the Connecticut Medical Assistance Program and provided to Medicaid residents, either DSS’ payment or a combination or a department, third party payment, and any authorized applied income which is no more than DSS’ schedule of payment, except with regard to DSS’ obligations for payments of Medicare coinsurance and deductibles.

The Provider further agrees not to bill clients or any other party for any additional charge for services covered by the Connecticut Medical Assistance Program, excluding any co-payment permitted by law, even when the Program does not pay for those covered services for technical reasons, such as a claim not timely filed or a client being Medicaid managed-care eligible. The Provider shall refund to the payer any payment by or on behalf of a client determined to be eligible for Medicaid to the extent that eligibility
under the program overlaps the period for which payment was made and to the extent that the goods and services are covered by Medicaid.

17. To submit timely all financial information required under federal and state law.

18. To make repayments to DSS or its fiscal agent, or arrange to have future payments from the DSS program(s) withheld, within 30 days of receipt of notice from DSS or its fiscal agent that an investigation or audit has determined that an overpayment to Provider has been made. This obligation includes repayment of an overpayment received for prior years or pursuant to prior provider agreements.

19. To promptly make full reimbursement to DSS or its fiscal agent of any federal disallowance incurred by DSS when such disallowance relates to payments previously made to Provider under the Connecticut Medical Assistance Program, including payments made for prior years or pursuant to prior provider agreements.

20. To maintain fiscal, medical and programmatic records which fully disclose services and goods rendered and/or delivered to eligible clients. These records and information will be made available to authorized representatives and/or clients upon request, in accordance with all state and federal statutes and regulations, including but not limited to 42 C.F.R. § 431.107 including but not limited to, information regarding payments claimed by the Provider for furnishing goods or services.

21. To cooperate fully and make available upon demand by federal and state officials and their agents all records and information that such officials have determined to be necessary to assure the appropriateness of DSS payments made to Provider, to ensure the proper administration of the Connecticut Medical Assistance Program and to assure Provider's compliance with all applicable statutes, regulations and policies. Such records and information are specified in federal and state statutes and regulations and the Connecticut Medical Assistance Provider Manual and shall include, without necessarily being limited to, the following:

a. medical records as specified by Section 1902(a)(31) of Title XIX of the Social Security Act, 42 U.S.C. § 1396a, (hereinafter the “Act”), and any amendments thereto;

b. records of all treatments, drugs and services for which vendor payments have been made, or are to be made under the Connecticut Medical Assistance Program, including the authority for and the date of administration of such treatment, drugs, or services;

c. any records determined by DSS or its representative to be necessary to fully disclose and document the extent of services provided to clients receiving assistance under the provisions of the Connecticut Medical Assistance Program;

d. documentation in each client's record which will enable the DSS or its agent to verify that each charge is due and proper;
e. financial records maintained in accordance with generally accepted accounting principles, unless another form is specified by DSS or its agent or representative; and

f. all other records as may be found necessary by DSS or its agent or representative in determining Provider's compliance with any federal or state law, rule, regulation, or operational procedure.

22. That any payment, or part thereof, for Connecticut Medical Assistant Program goods or services which represents an excess over the payment authorized or a violation due to abuse or fraud, shall be immediately paid to DSS. Any sum not so repaid may be recovered by DSS in accordance with the provisions below or in an action by DSS brought against the Provider in accordance with federal and/or state law.

Field Audits and Recoupment

23. That in addition to the above provisions regarding billing and payment, Provider agrees that:

a. amounts paid to Provider by DSS shall be subject to review and adjustment upon field audit or due to other acquired information or as may otherwise be required by law;

b. whenever the Commissioner of DSS renders a decision, whether based upon a field audit or otherwise, which decision results in the Provider being indebted to DSS for past overpayments, DSS may recoup said overpayments in accordance with subparagraph (c.) below, from DSS's current and future payments to the Provider. The DSS’s authority to recoup overpayments includes recoupment of overpayments made for prior years or pursuant to prior provider agreement regardless of any intervening change in ownership. A recomputation based upon such adjustments shall be made retroactive to the applicable period;

c. in a recoupment situation, DSS shall determine a recoupment schedule of amounts to be recouped from Provider's payments after consideration of the following factors:

(1) the amount of the indebtedness;

(2) the objective of completion of total recoupment of past overpayments as soon as possible;

(3) the cash flow of the Provider; and

(4) any other factors brought to the attention of DSS by the Provider relative to Provider's ability to function during and after recoupment.
d. whenever Provider has received past overpayments, DSS may recoup the amount of such overpayments from the current and future payments to Provider regardless of any intervening change in ownership;

e. if Provider owes money to DSS, including money owed for prior years or pursuant to prior provider agreements or provider agreements with a related party, DSS or its fiscal agent may offset against such indebtedness any liability to another provider which is owned or controlled by the same person or persons who owned or controlled the first provider at the time the indebtedness to DSS was incurred. In the case of the same person or persons owning or controlling two or more providers but separately incorporating them, whether the person or persons own or control such corporations shall be an issue of fact. Where common ownership or control is found, this subsection shall apply notwithstanding the form of business organizations utilized by such persons e.g. separate corporations, limited partnerships, etc.; findings of common ownership or control do not necessarily require 51% or more ownership or evidence of actual past exercise of control but rather only require the potential or ability to directly or indirectly exercise influence or control. When the Commissioner of DSS (hereinafter the “Commissioner”), renders a decision to act pursuant to this subsection, an aggrieved provider which desires to contest the finding of common ownership or control may, within ten days of such decision by the Commissioner, obtain, by written request to the Commissioner, an administrative hearing within DSS on the issue of whether common ownership or control exists;

f. DSS's decision to exercise, or decision not to exercise its right of recoupment shall be in addition to, and not in lieu of, any other means or right of recovery the DSS may have.

**Fraud and Abuse; Penalties**

24. To comply with Section 1909 of the Act 42 U.S.C. § 1320a-7b, which provides federal penalties for violations connected with the Medical Assistance Program.

Provider acknowledges and understands that the prohibitions set forth in the Act include but are not limited to:

a. false statements, misrepresentation, concealment, failure to disclose and conversion of benefits;

b. any giving or seeking of kickbacks, rebates, or similar remuneration;

c. charging or receiving reimbursement in excess of that provided by the State;

d. false statements or misrepresentation in order to qualify an institution as a provider; and

e. the submission of inaccurate cost reports.
25. That suspension or termination from participation in the Connecticut Medical Assistance Program will result if the Provider is convicted of a criminal offense as set forth in state or federal law. Suspension or termination may result if the Provider is sanctioned under the Medicare Program or Connecticut Medical Assistance Program pursuant to statute and regulation for having engaged in fraudulent or abusive program practices or conduct. A provider may exercise any right under law to dispute a suspension or termination.

**Nondiscrimination**

26. To abstain from discrimination or permitting discrimination against any person or group of persons on the basis of race, color, religious creed, age, marital status, national origin, sex, sexual orientation, mental retardation or physical disability or source of payment, including but not limited to blindness, in accordance with the laws of the United States or the State of Connecticut.

Provider further agrees to comply with:

a. Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d, and all requirements imposed by or pursuant to the regulations of the Department of Health and Human Services (45 C.F.R. Part 80), to the end that, in accordance with Title VI of that Act and the regulations, no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Applicant receives Federal Financial Assistance from the Department of Health and Human Services;

Part 84), to the end that, in accordance with Section 504 of the Rehabilitation Act and the regulations, no otherwise qualified handicapped individual in the United States shall, solely by reason of his handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity for which the Applicant receives Federal Financial Assistance from the Department of Health and Human Services.

c. Title IX of the Educational Amendments of 1972, 20 U.S.C. § 1681 et seq., as amended, and all requirements imposed by or pursuant to the regulations of the Department of Health and Human Services (45 C.F.R. Part 86), to the end that, in accordance with Title IX and the regulations, no person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any educational program or activity for which the Applicant receives Federal Financial Assistance from the Department of Health and Human Services; and
d. the civil rights requirements set forth in 45 C.F.R. Parts 80, 84, and 90.

**Termination**

27. That this Agreement may be voluntarily terminated as follows:

a. by DSS or its fiscal agent subject to the requirements set forth in federal and state law; or

b. by Provider, subject to the requirements set forth in federal and state law, as may be amended from time to time, including, but not necessarily limited to, certificate of need, transfer, and discharge requirements. Compliance with these requirements is a condition precedent to termination.

**Disclosure Requirements**

28. To comply with all requirements, set forth in 42 C.F.R. §§ 455.100 through 455.106, inclusive, as they may be amended from time to time. These requirements include, but are not limited to, the full disclosure of the following information upon request:

e. any significant business transactions (in excess of $25,000.00) between Provider and any subcontractor during the 5-year period ending on the date of the request; and

f. any person having an ownership or control interest in Provider, or as an agent or managing employee of Provider, who has been convicted of a civil or criminal offense related to that person's involvement in any program under Medicare, Medicaid, or other Connecticut Medical Assistance Programs since the inception of these programs.

Provider further agrees to furnish, without a specific request by DSS, the information referenced above at the time of Provider's certification survey and also, without a specific request, disclose the identity of any person with ownership or control interest who has been convicted of a civil or criminal offense related to that person's involvement in any
program under Medicare, Medicaid, or other Connecticut Medical Assistance Programs, prior to entering into or renewing this contract in accordance with 42 C.F.R. Part 455 and with 42 C.F.R. § 1002.3.

29. That the following penalties set forth in 42 C.F.R. Part 455 are applicable to Providers failing to make that section's required disclosures:

   a. that DSS is required to either not approve a Provider Agreement or to terminate an existing Agreement if the Provider fails to make the disclosures required by that section; and

   b. that federal financial participation is not available to Providers that fail to disclose the information required by that section; and

   c. that DSS may refuse to enter into or renew an Agreement with a Provider if any person with ownership or management control, or an agent or a managing employee, has been convicted of a criminal offense related to that person's involvement in any program established under Medicare, Medicaid, or the Title XX Services Program; and

   d. that DSS may refuse to enter into or may terminate a Provider Agreement if it determines that a Provider did not fully and accurately make the required disclosures concerning such convictions.

**Miscellaneous**

30. That this Agreement, upon execution, supersedes and replaces any Provider Agreement previously executed by the Provider. This Agreement does not impair Provider’s obligation to repay to DSS any money owed to DSS pursuant to prior Provider agreements or the ability of DSS to recoup such amounts from payments made pursuant to this Agreement.

31. In the event that the Provider has been furnished with any personal computer equipment by DSS, such equipment is to be returned to the DSS or its agent upon demand of DSS. If a Provider refuses to return such equipment the DSS may deduct the cost of the DSS-owned equipment from any funds due the provider, including future payments.

32. The Provider will examine publicly available data, including but not limited to the Center for Medicare and Medicaid Services (CMS), or any successor agency, Medicare/Medicaid Sanction Report and the CMS website, to determine whether any potential or current employees have been suspended or excluded or terminated from the programs and shall comply with, and give effect to, any such suspension, exclusion, or termination in accordance with the requirements of state and federal law.

The effective date of this Agreement is _____________. This Agreement shall thereafter be in effect for a period not to exceed 18 months subject to recertification by the Department of Public Health or any successor agency.
