How to Obtain & Report Your CMS EHR Certification ID

Michael Flynn
CT Department of Social Services Education and Outreach Coordinator
CMS EHR Certification ID

- Required for AIU attestation in Medicaid EHR Incentive Program

- Required for MU attestation in Medicaid EHR Incentive Program

- Certification ID is different from Certified Health IT Product List (CHPL) number
CMS EHR Certification ID

Do not use the certification number found on the EHR vendor’s website or the Certified Health IT Product List (CHPL) number associated with a particular product.

You must obtain your own unique CMS EHR Certification ID from the Certified Health IT Product List website cart.
Six Steps to obtaining and reporting your CMS EHR Certification ID Number

1. Visit Certified Health IT Product List website at https://chpl.healthit.gov/#/search
2. Product Search
3. Products Details Review
4. Obtain CMS EHR Certification ID
5. Enter Certification ID in the appropriate CMS R&A or CT MAPIR system depending on if you are apply for the Medicare or Medicaid EHR Incentive Program
Step 1: Go to the Certified Health IT Product List Website at https://chpl.healthit.gov/#/search
Step 2: Product Search: There are multiple options available on the CHPL: You can enter in the info in the search box or select from a list of categories shown below. Enter the criteria selected in the search box to find your EHR product.
Step 2: There is a second filter depending on the type of search criteria you place into the first filter.
Step 3: Select Details Tab: Once you have identified the Certified Health IT Product, Providers will select the Details Tab next to the product(s). This will provide you information on the Developer, Version, Certification Edition, Certification Status and additional software needed.
Step 3: Details Tab: The Details tab will reveal the Certification Criteria along with the CQMs that were certified by ONC along with additional important information.
Step 4 Obtaining CMS EHR Certification ID: After verifying that you have selected the correct EHR system providers can obtain their CMS EHR Certification ID by first selecting the Cert ID tab.
Step 4: Obtaining CMS EHR Certification ID: After selecting the tab you will see the CMS EHR Certification ID Window to the right open up with the EHR system you have selected.
Step 4: Obtaining CMS EHR Certification ID: Providers will click on the tab to obtain their CMS EHR Certification. Providers will need to download the PDF provided.
Step 4: Obtaining CMS EHR Certification ID: If the EHR system you select does not meet CMS standards for the EHR Incentive program, the green tab to select the Cert ID will be crossed out. Providers will need to make sure they have selected the correct EHR system or contact their vendor for further assistance.
The CMS EHR Certification ID shown corresponds to the collection of products listed below. Submit this ID as part of the attestation process for the CMS EHR Incentive Programs.

* Additional certification criteria may need to be added in order to meet submission requirements for Medicaid and Medicare programs.
