- The mass adjustment schedule will be announced at a later date.
- **Claims that are submitted electronically must be received at EDS by 7:00 PM the day preceding the claims cycle date in order to be processed in that cycle.** We encourage you to submit your claims as soon as possible and not to wait until the last day before the claims cycle. The retrieval of your 997 Functional Acknowledgement may be delayed if the volume of claims submission activity significantly increases. Do not resubmit your claims because of a delayed 997 Functional Acknowledgement response. If you receive a rejected 997 Functional Acknowledgement, you will need to correct the errors and resubmit your claims.
- The Remittance Advice (RA) or Explanation of Benefits (EOB) is available to download on the Web site every Monday following the claims cycle date. For more information, please go to www.ctdssmap.com and log on to the Secure Site by using the User ID and the associated password for your Provider secure account.
- The ASC X12N 835 Health Care Claim Payment/Advice is available to download on the Web site every Wednesday after the claims cycle date.
