

Hospice Procedure Code Exception List

All non-hospice services must be billed with a modifier of GW to indicate that the service is not related to the hospice patient's terminal illness, with the exception of the following procedure codes. Claims submitted with a procedure code on the following list do not require the use of a modifier.

99201-99215	99304-99360	90901-90911	92070
99241-99245	90804-90815	90935-90999	92310
99281-99285	90845-90880	92002-92015	92325-92370

For additional information on the Hospice program or specific instructions for your provider type, please refer to the appropriate provider manual, located at www.ctdssmap.com, by selecting Information, then Publications, and locating the appropriate Chapter 8.
